Speaking Card A: Relaxing

Some people don't always find enough time to relax because of their busy lifestyles.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- how you normally spend your free time
- the activities that usually keep people busy and why
- your advice on what schools can do to help learners relax
- the view that people nowadays have more ways to relax than in the past
- the view that relaxing is the same as wasting time.

You may introduce related ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card B: Animals

People and animals have lived next to each other for a long time.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- your favourite animal and why you like it
- ways animals can help people in their everyday lives
- whether it is possible for any animals to live in cities
- the idea that wild animals should not be kept in zoos
- the opinion that protecting all animals, and the environment, should be our priority.

You may introduce related ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card C: Books

Many people enjoy reading different types of books in their spare time.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- your favourite type of book and why you like it
- a book you read as a child and what it was about
- reasons why people should read
- whether what people enjoy reading changes as they get older
- the view that the information we find on the internet is just as reliable as the information we find in books.

You may introduce related ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card D: Mobile phones

Many people have a mobile phone nowadays and would find life difficult without it.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- what you, and other people you know, use mobile phones for
- places where people shouldn't use their mobile phones, and why
- the opinion that there should be an age limit on when children can have their own mobile phone
- the idea that learners should be allowed to have their mobile phones in lessons to help them learn
- the view that mobile phones have already replaced most face-to-face communication.

You may introduce related ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card E: Privacy

Everybody likes to spend some time on their own and keep some things private from others.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- things that you prefer to do on your own and why
- an occasion when you spent time with a lot of people, and what happened
- reasons why people like to spend time on their own
- the idea that social media takes away our privacy
- whether it is right for the media to publish news about the lives of famous people.

You may introduce related ideas of your own to expand on these prompts.

Remember, you are not allowed to make any written notes.
