Speaking Card A: Friendship

A friend can play a very important role in your life.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- your first friend, and how you met
- what you enjoy doing together with your friends
- the qualities you look for in a good friend
- whether you should always agree with your friend
- the idea that any friendship can last forever.

You may introduce related ideas of your own to expand these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card B: Places to live

Where people live can influence how happy they are.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- where you live now and what it is like
- where you would like to live in the future, and why
- whether you would like to change anything about your local area, and why
- the idea that living in a city is better than living in a rural area
- the suggestion that you can find happiness wherever you live.

You may introduce related ideas of your own to expand these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card C: A family celebration

Family celebrations are special times when relatives can meet and do things together.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- a family celebration you enjoyed and what happened
- where your family celebrate different occasions, and why
- reasons why people enjoy family celebrations
- the difficulties of organising big family celebrations
- the opinion that family celebrations are important for our future life.

You may introduce related ideas of your own to expand these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card D: School subjects

The subjects learners choose at school often affect their future career choices.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- your favourite subjects at school, and why you like them
- reasons why you wouldn't choose certain subjects at school
- the advantages and disadvantages of studying a lot of different subjects
- the idea that parents should choose their children's subjects at school
- the suggestion that the subjects learners choose at school don't always reflect their future career choices.

You may introduce related ideas of your own to expand these prompts.

Remember, you are not allowed to make any written notes.

Speaking Card E: Being the President

As a president of a country you have to take on many responsibilities and make difficult decisions.

Discuss the topic with the examiner.

Use the following prompts, in the order given below, to develop the conversation:

- what you would like to change in your country, and why
- whether it is always difficult to make big changes in a country
- how you would make people listen to you
- reasons why it is important to bring the older and younger generation closer together
- the idea that a president should always behave in a way that sets a good example.

You may introduce related ideas of your own to expand these prompts.

Remember, you are not allowed to make any written notes.
